RSVP to Attend a Campaign Reception Today!

All capital campaign reception invitations have been mailed. Please RSVP as soon as possible. We look forward to seeing you there!

WHY ARE THESE CAMPAIGN RECEPTIONS IMPORTANT?

Family

We are a parish family and we have always gathered together for important events: baptisms, confirmations, weddings, and funerals. This campaign is also a very important event in the life of our parish. *Everyone who calls Saint Teresa of Calcutta Catholic Church his or her spiritual home should make every effort to attend!*

Information

We want the correct information to be available to everyone. The building expansion projects and debt reduction are essential for our parish growth physically and spiritually. It is important to be informed! *Leave your wallet at home, but bring your questions! No one will be asked to turn in a pledge at a reception.*

Community

These receptions are a wonderful opportunity to meet with your fellow parishioners. All too often, we end up seeing just the people that attend the same Mass. *Come meet the rest of your parish family!*

Save

By coming to a reception, you will help us save both money and time. When you attend a reception, you will be able to pick up your personalized campaign packet. Any family that does not attend a reception will be mailed their campaign materials. We have approximately 930 registered households at Saint Teresa of Calcutta Catholic Church, and we are committed to making a personal contact with each one. In addition to the mailings, volunteer phone calls will be conducted with families who are unable to attend. *Help us save on both money (on postage) and time (our dedicated volunteers have much to do)!*
